PART 1 – FINANCIAL SERVICES GUIDE

This Financial Services Guide (FSG) is issued by **The FinancialLink Group Pty Ltd** ABN 12 055 622 967 AFSL 240938, referred to as **TFLG**, “we”, “us”, and “our”. There are two parts to this FSG. Please make sure that you read both parts before making any decision based on our advice. This document is Part one and Part two is the Adviser’s Profile, which includes information about your financial adviser (“adviser”), who is one of our Authorised Representatives. Any reference to an adviser will include the details of the adviser’s company if they are part of a corporate entity. If the adviser’s profile is not attached please ask the adviser for this profile or contact **TFLG** Head Office whose contact details are in the next section. Your adviser is authorised by us to distribute this FSG.

WHAT IS A FINANCIAL SERVICES GUIDE (FSG)

The Financial Services Guide (FSG) is an important document that is designed to help you decide whether to use the financial services offered. The main purpose of the Financial Services Guide (FSG) is to give you an overview of the financial services that are being offered and it provides you with the following information:

- About us;
- What kinds of financial services we are authorised to provide to you;
- The process we follow to provide financial services;
- How we, our Authorised Representatives (and any other relevant persons) are remunerated;
- Are there any of our associations or relationships that might influence the financial services we offer?
- How we collect, use and disclose the information you provide to us
- Our complaints handling procedures and external dispute resolution procedures including how you can access them.

The terms Representative, Authorised Representative, Corporate Authorised Representative, and Advice Provider means that a person, or entity, is authorised to represent a business that holds an Australian Financial Services (AFS) licence. **TFLG** is the holder of an AFS Licence and is therefore responsible for the financial services provided, including the distribution of this Financial Services Guide (FSG).

As there are many different titles in the marketplace describing such authorised representatives and advice providers throughout this document we are describing them as Adviser(s) or Your Adviser(s).

- nominate any financial adviser to receive your statements without you also receiving a copy, or
- give your adviser unclear or misleading instructions or false information.

Other documents that you may receive in addition to the FSG and Adviser Profile, your financial adviser may provide you with the following documents:

- A Statement of Advice (SoA) or Record of Advice (RoA).
Before your adviser provides you with any personal financial product or financial service advice (personal advice), they will collect information about you, your objectives, financial situation and needs. The SoA will set out the advice and the basis upon which it is given. You may then decide whether or not to act on it. It will also set out information about our remuneration and your adviser's remuneration and disclose any associations or relationships which might reasonably be expected to influence them when providing the advice. Any subsequent personal advice that is provided to you may, if it is in relation to advice which has already been provided to you previously in a SoA, will be documented in either a further SoA or a RoA, provided there has not been a significant change in your personal circumstances or the basis upon which the initial advice was provided. Copies of all advice documents will be retained on your client file and you may request a copy by contacting your adviser.
- A Product Disclosure Statement (PDS).
If a particular financial product (other than securities) is recommended by your adviser you must also be provided with a PDS issued by the product issuer. The PDS contains information about the benefits, risks and other features of the product, which will enable you to make an informed decision about whether to purchase the product.

Both we, and your adviser receive remuneration from:

- service and advice fees paid by you;
- Remuneration and other payments paid by product providers;

Payment methods

Our fees are either invoiced to you directly, or deducted from your investments, or a combination of these methods. Where it is debited from your investments, it is normally referred to as the Adviser Service Fee. In most instances, you will be able to select the method of payment that suits you best. Your Adviser will discuss and agree the method of payment with you before providing you with services. The specific fees and services that you will pay for will be set out in your SoA or other advice documents, your annual fee disclosure statement or client service agreement.

Your current options:

- You may choose to be charged a financial planning advice fee that is based on the time spent preparing your SoA (or other advice document) and is dependent on the complexity of the advice; or
- You may enter into a service agreement with your adviser that covers items such as ongoing advice, newsletters, annual reviews and portfolio valuation reports. You and your adviser should discuss the services to be included and the fee that you will pay. Alternatively, it will be set out in the service agreement provided by your adviser either before, or at the time, you are presented with your SoA.

Remunerations and other payments paid by product providers

If you implement a financial product through us, we may receive payments in the form of initial remuneration and/or ongoing remuneration from the financial product providers. These remunerations are included in the fees and premiums you pay for the product. This is not an additional cost to you.

Investment products held pre 1 July 2013

We may receive initial (upfront) remuneration from the product provider for additional amounts invested in products you held prior to 1 July 2013. Generally, the remuneration will be a percentage of the amount you invest (may be up to 5.5 per cent) and may vary from product to product.

We may also receive ongoing (trail) remuneration from the product provider on a periodic basis for the duration of your investment. Details of such remuneration (which may be up to 1.1 per cent) will be set out in your SoA.

Investment products held post 1 July 2013

For most products with an investment component entered into after 1 July 2013, remuneration, both initial and ongoing, will be agreed to by you with your adviser and detailed in your ongoing fee agreement you have with your adviser.

Risk insurance products

We may receive initial remuneration from the life insurance company for risk insurance products that you purchase and we may also receive ongoing remuneration when you renew your policy. This remuneration is taken out of the premium that you pay and is not a separate charge to you. Applicable risk insurance remunerations are included in the Adviser Profile and will be detailed in your SOA. No remuneration is payable on group insurance policies held within your superannuation that commenced after 1 July 2013. For group insurance policies within superannuation that commenced prior to 1 July 2013, remunerations may be received. Remunerations may also be received in relation to retail insurance policies held within superannuation irrespective of the date of commencement.

Other benefits - Adviser Participation Program

The payments received through this program are utilised to provide training and educational opportunities for your adviser. Your adviser does not share directly in these payments, but may benefit indirectly through the provision of subsidised conference attendance and training costs. Your adviser may also receive a range of other benefits, up to \$299, in value from product providers such as marketing support or sponsorship, entertainment and conferences, which will be disclosed in your SoA.

The cost of providing a financial product or service to you will depend on the nature and complexity of the advice, financial product and/or service provided. The payment options for the provision of financial services will be discussed with you by your adviser and are as follows:

- Fee for service
- Implementation fees
- Transaction fees
- Brokerage / Commission / Remuneration
- Ongoing service fees
- Or a combination of the above depending on what best suits the client.

Please note that the type of payment option can also depend on the type of product and/or advice implemented, and your adviser will discuss this with you.

The following is the Fee and Brokerage Schedule of Tristan of Kabsav Pty Ltd Trading As Brisbane Money Management:

INITIAL ADVICE FEE:

Fees are charged for my initial advice and the preparation of a Statement of Advice (SoA). Fees are based on the complexity of the advice provided and range from \$3,300 (minimum) to \$7,700 (maximum) inclusive of GST.

You will not be charged anything until you have agreed to the charge.

This practice is remunerated by both fees and commissions. Details of the practice's remuneration relating to meeting your goals will be discussed with you on an individual basis and will be fully disclosed in the Statement of Advice provided to you. Brisbane Money Management charges a plan fee that is based on the complexity of the plan BUT does not then charge an implementation fee - implementation of the recommendations is covered by the plan fee.

You will be sent an invoice and payment is required within 7 days from the invoice date. Please note that our initial advice fees still apply even if you decide not to implement our advice.

If insurance is part of the solution to meeting your goals, Brisbane Money Management takes commission from whichever insurance company you choose to provide you with the valuable cover you need - this commission may be up to 125% of the first year's premium and covers the up-front costs of helping you get your policies in place. A reasonable estimate of the commission and how that commission is worked out will be detailed in the Statement of Advice. We will provide an estimated cost, which we will agree on before commencing any work.

ONGOING ADVICE FEE:

We may charge a fee to provide ongoing portfolio reviews and/or for the provision of ongoing services. This fee will either be a set amount, or based on the amount of your funds under our advice, and/or the time involved in reviewing your portfolio, e.g. an hourly rate. Your adviser will discuss these fees with you prior to giving you the advice.

FEE FOR SERVICE:

We may charge fees for the preparation and implementation of advice. These fees will be based on your individual circumstances, the complexity of your situation and the time it takes to prepare personal financial advice for you.

All fees may be deducted from your investment funds (or margin lending costs), included in your insurance premiums and paid to us by product providers instead of being invoiced directly to you.

All fees are inclusive of GST.

NOTE: Full details of all fees and commissions for Financial Services will be provided to you in Statement of Advice (SoA), or Record of Advice (RoA) and Product Disclosure Statements at the time of receiving any recommendation

All fees, remuneration, commission and brokerage payments received for the financial services provided are paid to The FinancialLink Group Pty Ltd. The FinancialLink Group Pty Ltd retains a percentage of these payments and forwards the balance to Kabsav Pty Ltd.
